ALICE LIVES HERE

United Way of South Wood & Adams Counties brings our community together with ONE goal in mind – helping ALICE individuals and families succeed and thrive. ALICE stands for Asset Limited, Income Constrained, Employed. 35% of Wood County households fall below the ALICE survival budget and struggle daily to make ends meet. In Adams County, 44% of households are below the ALICE survival budget.

United Way helps those who need it most by focusing on four Impact Areas: Education, Income, Health, and Safety Net Services. YOU can create change in our community through your donation; see the impact YOUR dollars can make on the backside of this flyer.
