INCOME Financial Stability

GOAL: COMMUNITY MEMBERS LEARN SKILLS TO BECOME FINANCIALLY INDEPENDENT.

35% of Wood County and 44% of Adams County households are struggling – despite most of these households earning income above the Federal Poverty Level. Working, yet unable to afford all essentials or save for emergencies, we term these households **ALICE: Asset Limited, Income Constrained, Employed.**

Less than 1/3 of Wisconsin's struggling households have emergency savings. United Way brings community members together to share resources & make a greater impact through coalitions – the Financial Stability Coalition helps educate community members through quarterly informational newsletters.

40+
coalition partners
shared information
about fraud and
financial scams in
2023.

Basic financial education is necessary to reach financial stability & independence.

United Way's Financial Stability Coalition established the Finance & Investment Challenge Bowl event, driving student interest & engagement in financial education.

84

7 area school students from 7 area schools competed in the Finance & Investment Challenge Bowl in 2024.

\$72,500 invested in partner programs in 2024.

\$2,422

Was the average return received by individuals in south Wood County who filed for free with MyFreeTaxes in 2024.

2,391

hours of quality child care were provided through a partner program in 2023 allowing parents to remain employed.

914

students with financial need received free school supplies through Stuff the Desk in 2023. 100+

volunteers made in impact through Stuff the Bus/Desk, Finance & Investment Challenge Bowl and the Financial Stability Coalition in 2023.
