

CONGRATULATIONS

ON YOUR NEW JOB!

You're joining a company that really cares about our community. Through our partnership with United Way of South Wood & Adams Counties, we're building a stronger community where families can thrive, students can succeed, and everyone has the opportunity to reach their fullest potential.

With just a few dollars each paycheck, you can make a difference. Your support will create more opportunity, help more families achieve financial stability, and ensure even more children go to sleep in a safe home with a full tummy.

Please review and consider making a gift by completing the United Way pledge form attached and return it to HR. You can also make an online donation; just visit www.uwswac.org.
