

COMMUNITY RESILIENCY

Addressing urgent needs today for a better tomorrow

United Way is here for our community every day, in every way. Whether it's a personal crisis or a community-wide disaster, we're ready to respond with care and compassion. From our 24/7 support and dedication of our 211 contact center to our trained volunteers, we connect our neighbors to resources when they need them most.

We are more than a safety net—we are a lifeline. Together, we stand strong, ready to uplift, support, and build a brighter future for everyone in our community.

HOW UNITED WAY HELPS

Help Guide, United Way's 211, Volunteer Reception Center, ALICE Report

- Nearly 13,000 Help Guides were distributed in south Wood County in 2026, providing easy access to resources
- 7,044 calls were answered by our 211 Contact Center in 2025
- Top three needs called into 211 in 2025 were housing & shelter, mental health & addiction, and employment & income
- \$545,300 will be invested into local programs in 2026, providing support for ALICE families
- 34 volunteers are trained and ready for our Volunteer Reception Center
